TO WHOM SO EVER IT MAY CONCERN

M/s.Purvi Engineers, BM - 8 & 10, Sheela Tower, Samarth park , Surat - 395 009 are our registered HVAC contractor & supplier for HVAC equipments to Larsen & Toubro Limited, Hazira manufacturing works.

They have been rendering their services to us onwards 2006-07 and have contributed their services to number of our Admin building Air conditioning. Some of them are as listed below:

- a. Technology Block & EPC building - Gas fired chillers of total 300 TR & 300 TR low side AC system (Technology block is the First LEED certified Platinum green building of Gujarat)*
- b. Dust Free Enclosure - Clean room II for special equipment manufacturing shop - 152 TR*
- c. Electro static precipitator Admin building - VRF system of 72 HP*
- d. Howden Admin building - VRF system of 72 HP*
- e. Speciality Steel & Heavy forgings - Admin Building - Chiller low side of 150 TR - LEED certified Platinum green building*
- f. Heavy Enginnering Admin building - West Side - Chiller & low side 200 TR - LEED certified Platinum green building*

All above projected were completed well in time by Purvi engineers to the up most level of satisfaction of ours. Though we had HVAC consultant in majority of the projects, Purvi Engineers has added values in designing of the HVAC system as & when sought by us. Following our EH& S norms and still delivering world class installation right in time speaks about their execution strength. It is to be highlighted over here that even after years of project completion, they stand by with the system & product performance. At present, Purvi Engineers are also doing operation & maintenance operation for few of our buildings.

Wishing them all the heartily best wishes for all their upcoming ventures.
